

# ***Behr Hella Service takes over the sale of Visteon products.***

**Behr Hella Service has become the exclusive sales partner of Visteon Aftermarket Europe for thermal management in Europe.**

This means that you can now obtain an even wider range from a single source.

The further advantages of this partnership speak for themselves:

- 95% availability of the products
- Expert technical service
- Attractive sales support

This means you can now obtain Visteon original spare parts in the following product groups from your usual purchasing partner:

- Engine cooling
- Vehicle air conditioning

The extended range includes parts for the following vehicle makes: Alfa Romeo, Citroën, Fiat, Ford, Jaguar, Kia, Land Rover, Mazda, Mercedes Benz, Nissan, Opel, Peugeot, Renault, Skoda, Volvo.

This is as a result of extending our range by a total of approximately 290 products.
