CMI / VMI via Web-EDI

Main Menu – Relevant tabs

The screenshot shows the WebEDI main menu interface. At the top, there is a navigation bar with links: Home, FAQ, Help, Start Menu, and Log Out. On the left side, there is a blue sidebar containing user information fields (User Name, Supplier, Client) and a list of menu items. Callouts point to specific elements: 'User information' points to the user details section; 'Relevant tabs for process' points to the 'ERS/SBI' and 'Consignment/VMI' tabs; 'Switch of language possible' points to the language dropdown menu. The main content area displays a welcome message and a list of functions.

Goods Movement - Filters

The screenshot shows the 'Goods movements' section of a web application. At the top, there is a navigation bar with links: Home, FAQ, Help, Start Menu, and Log Out. Below this, a 'Goods movements selection' bar includes a 'User:' field. The main content area features a 'Goods movements selection' dropdown menu with options 'All goods movements' and 'Only new goods movements'. A callout box labeled 'Filter out movements' points to this dropdown. Below the dropdown is a 'Sorted by plants' section with a table header 'Plant' and a row with '1012'. A callout box labeled 'Click for overview' points to the '1012' value. To the right of the table is a 'New/total' column showing '2 / 2' and a 'Selection' column with a checkbox. At the bottom of the page, there is a footer bar with links: Back, Contact, Download, and Print. A callout box labeled 'Download & Printing' points to the 'Download' and 'Print' links. The HELLA logo is visible in the bottom right corner.

Plant	New/total	Selection

CMI – Customer Managed Inventory via WebEDI

Inventory reports

The screenshot displays the HELLA WebEDI interface. At the top is a dark blue navigation bar with links for Home, FAQ, Help, Start Menu, and Log Out, alongside the HELLA logo. Below this is a light blue header area containing the text 'Selection - Type of message' and a 'User:' label followed by an input field. The main content area is white and features a section titled 'Selection of consignment type:'. Under this title is a list of three items, each preceded by a blue right-pointing triangle: 'Inventory reports', 'Gross requirements', and 'Goods movement'. The 'Inventory reports' item is highlighted with an orange rectangular border. An orange callout box with rounded corners and a pointer directed at the 'Inventory reports' item contains the text 'Click for Inventory reports'.

Inventory reports - Filter

The screenshot displays the 'Inventory reports' section of the CMI WebEDI interface. At the top, there is a navigation bar with links: Home, FAQ, Help, Start Menu, and Log Out. Below this, a header bar shows 'Inventory reports' and a 'User:' field. The main content area is titled 'Inventory reports selection' and includes a dropdown menu for 'All inventory reports' and 'Only new inventory reports'. Below this, there are radio buttons for 'Type of inventory reports': 'VMI and Standard Konsi' (selected), 'Only Standard Konsi', and 'Only VMI'. A table titled 'Sorted by plants' lists inventory reports with columns: Plant, Last import, New/total, and Selection. The first row shows plant '1012' with a last import of '10.02.2015' and '4.048 / 4.048' new/total reports. A callout box labeled 'Click for overview' points to the plant number '1012'. Another callout box labeled 'Filter out inventory reports' points to the 'All inventory reports' dropdown. Below the table, there is a 'Select all' button and another 'Inventory reports selection' dropdown set to 'All inventory reports'.

Gross Demands

The screenshot displays the HELLA VMI web interface. At the top is a dark blue navigation bar with links for Home, FAQ, Help, Start Menu, and Log Out, alongside the HELLA logo. Below this is a light blue header area containing the text 'Selection - Type of message' and a 'User:' label followed by a text input field. The main content area is white and features the heading 'Selection of consignment type:'. Under this heading is a list of three options, each preceded by a small blue right-pointing triangle: 'Inventory reports', 'Gross requirements', and 'Goods movement'. The 'Gross requirements' option is highlighted with an orange rectangular box. An orange line extends from this box to a separate orange-bordered callout box on the right that contains the text 'Click for gross requirements'.
