EMMA, 32

"I am only searching for the best quality for my money"

- As mother of 2 kids Emma is focused on a valuable product for her money
- She searches for the best safety she can get for a reasonable price
- She is driving a classic car, the wipers should match the look
- A quick identified and price reasonable rear wiper is as well important

METAL WIPER

FULL COVERAGE – RIGHT PRICE –
VALUE FOR MONEY

STREAK-FREE
SILENT

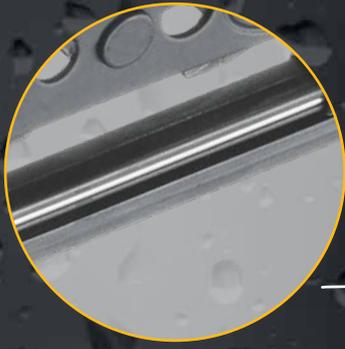

ALL-WEATHER
SAFETY

You can always rely on metal wiper blades from HELLA. The blades' rubber lips are coated with graphite so that they can be constantly exposed to the most intense stresses. In addition, the design minimises annoying wind noise. This means smooth and quiet operation with longer lasting performance, which in return improves safety and driving comfort.

HELLA offers: Value for money, less PN's – full coverage, recyclable carton packaging

- An easy product identification and purchasing as set or in combination is even better

CLEANTECH 3.0

MORE FLEXIBILITY FOR STYLISH AERODYNAMIC FLAT BLADE DESIGN

EASY TO FIT

AERODYNAMIC
PERFORMANCEEXTENDED
COVERAGETEF-VANTAGE
COATING

High tech for the windscreen: the hingeless CleanTech 3.0 aerodynamic wiper blades ensure superior wiping results. The aerodynamic spoiler prevents the windscreen wiper from being lifted by the airstream. The tef-vantage-coated flat bar wipers glide smoothly over the glass with even contact pressure, ensured and tested in 1.000.000 wiping cycles. The tef-vantage-coating gives the wipers a longer lifetime compared to CleanTech 2.0. Various adapters ensure a high level of vehicle coverage and easy installation.

HELLA offers: Short range, multi-adapters in pack: high coverage

SMARTTECH 2.0

MORE FLEXIBILITY FOR STYLISH
AERODYNAMIC FLAT BLADE DESIGN

HELLA Smarttech 2.0 windshield wiper-blades cover more than 90 % of the European vehicle market. They can be fit on vehicles originally equipped with beam-blades or as an upgrade to replace standard metal wipers. Fitting is fast and easy thanks to the clever Easychange system. Each reference includes 3 in 1 adapter and symmetrical design with aerodynamic spoiler to maximize coverage.

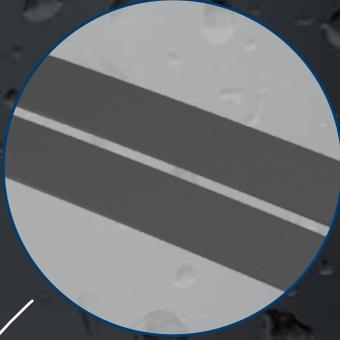

HELLA offers: Short range, 3 in 1 adapter: high coverage

EASY SET

MORE FLEXIBILITY FOR STYLISH AERODYNAMIC FLAT BLADE DESIGN

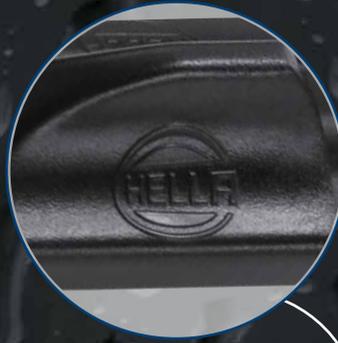

Vehicle-oriented adaption for maximum compatibility: Our products are designed with a vehicle-specific adaptation, ensuring a perfect fit for your car model.

Each unit comes with a pre-mounted adapter, allowing for direct matching on the vehicle without additional modifications. Installation is quick and effortless, making the fitting process easy even for non-professionals. The set includes components for both the driver and passenger side, providing a complete solution straight out of the box.

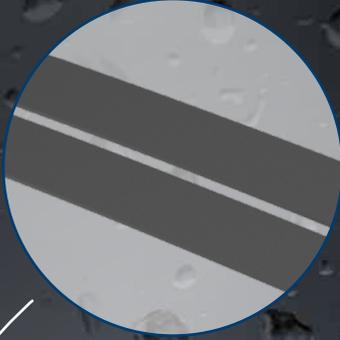

EASY SET WIPER BLADES for BMW, MINI & Mercedes Benz with pre-mounted adapter

WINTER

MORE FLEXIBILITY WITH WINTER CONDITIONS PERFORMANCE

The extremely resistant HELLA Winter Wiper Blades are optimised for adverse conditions, such as snow, sleet and road salt, and always ensure a perfect view, even in winter. The wiper lips' special rubber compound is particularly resistant and offers a streak-free wiping experience even in sleet.

The robust wiper construction, based on the design of original wipers, guarantees long durability and perfect function at all times. The easy-to-fit HELLA Winter Wiper Blades are available for various vehicle types.

Solid rubber cover construction

HYBRID

MORE FLEXIBILITY FOR STYLISH OE-LIKE ALL-WEATHER DESIGN

Hybrid technology integrates the best design features of a conventional frame with a flat blade design giving enhanced wiping performance and therefore increasing driving safety in all weathers. Fast and easy exchange of old wiper blades thanks to the Easy-Fit system adaptors – very popular on Asian vehicle brands.

Very common on Asian cars, Hyundai, Kia, Nissan, Honda but also on BMW & Mini

SILICON BLADES

ULTRATECH

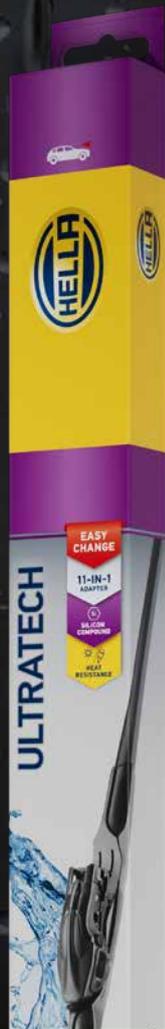

MARIA, 28

"My wipers have to support me even in sunny weather"

- Lives in a country with sunny weather and high temperatures.
- Her car reflects her modern lifestyle – the wipers should too.
- She appreciates smart solutions – fewer parts, less hassle, more style.

ULTRATECH

PREMIUM QUALITY - SMART ADAPTER -
EXTREME WEATHER RESISTANCE

PREMIUM
QUALITY BLADE

UV-PROTECTION

OE-LIKE
DESIGN

LASTING
PERFORMANCE

Made from a premium silicone compound, the Ultratech wiper blades from HELLA effectively repel water and ice, even in the toughest conditions – enhancing visibility and safety in every season.

The aerodynamic design delivers maximum windshield contact for a smooth, streak-free wipe, while the flexible silicone maintains its elasticity even in freezing temperatures, reducing streaking and noise. Equipped with a versatile adapter, installation is quick and hassle-free.

HELLA offers: OE-like design, 11-in-1 adapter system, high resistance silicone for extreme weather in any environment

MARC, 50

"The wipers have to suit the daily challenges"

- Focus on long-lasting performance.
- Additional benefits which support the daily work are a purchase argument.
- Steel plate cold rolled frame provides exceptional strength and longevity

HEAVY DUTY

MORE FLEXIBILITY FOR LASTING PERFORMANCE

LASTING PERFORMANCE

SPRAY BAR INCLUDED

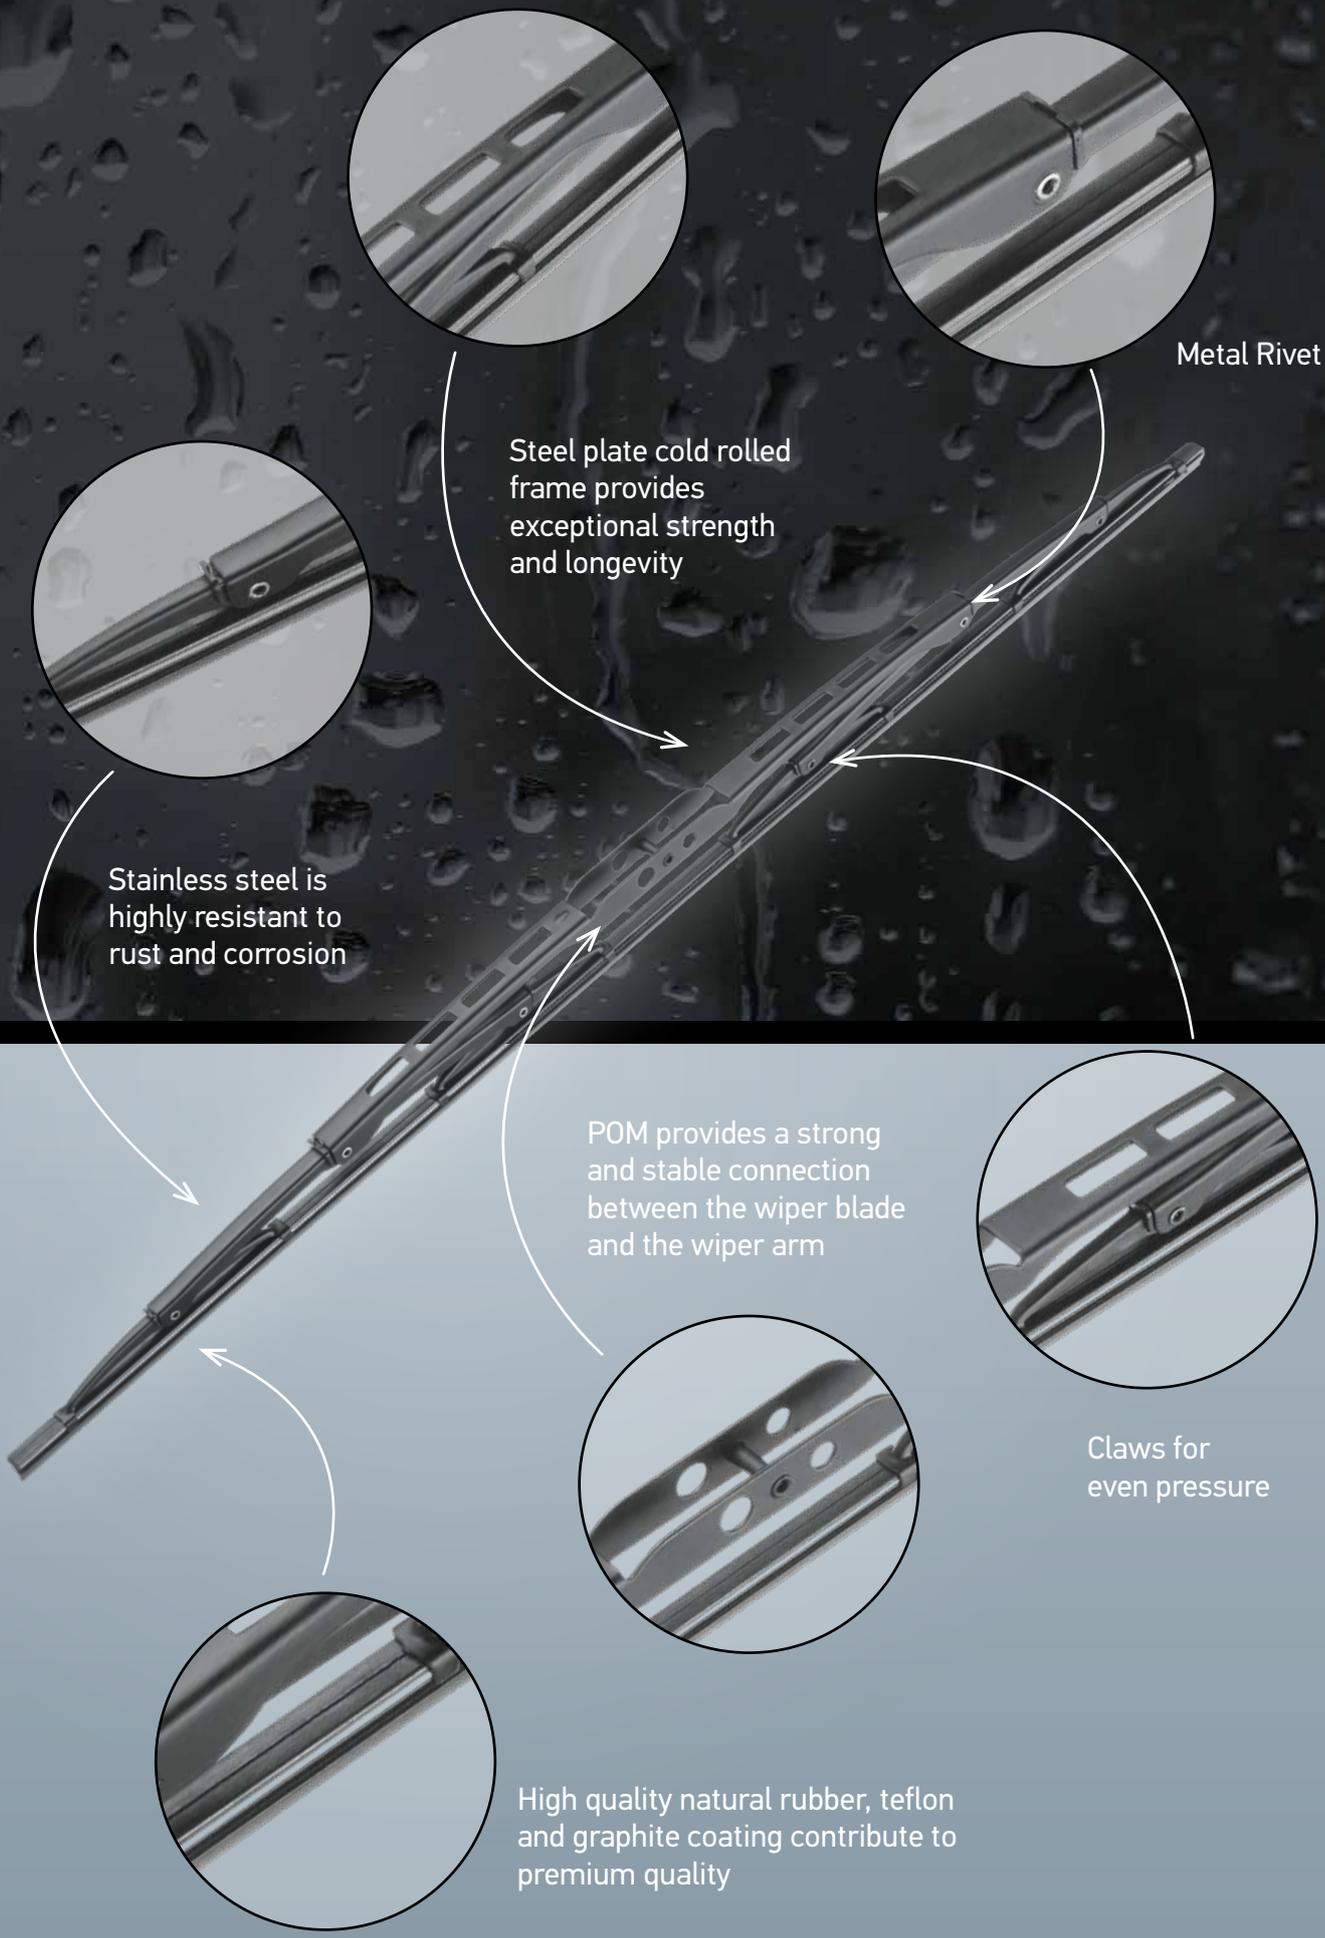

HIGH QUALITY STEEL FRAME

HELLA Heavy Duty Wipers defy even the most adverse conditions and heavy loads when used continuously every day on the road or in agriculture, and they reliably ensure a clear view in every situation. Nothing can shake the wipers that easily, thanks to the sturdy, high-quality steel frame. The reinforced heavy-duty rubber compound ensures long durability and optimum wiping results even in harsher environmental conditions, important attributes for agricultural vehicles in particular. Also available with an integrated spray nozzle for an even better wiping experience.

HELLA offers: Complete range, sets with spray-bars for specific applications

REAR FLAT

MORE FLEXIBILITY FOR REAR SPECIFIC OE-LIKE FLAT DESIGN

EASY TO FIT

EXTENDED COVERAGE

MULTI-CLIP-SYSTEM

State-of-the-art technology for the rear window: thanks to their nano-coating, the HELLA Rear Flat Wiper Blades ensure outstanding wiping results in rain, snow and spray water, and all that with extremely low wear. The extremely flat, aerodynamic wiper blades are based on the design of modern original equipment wipers, so they cut a fine figure at the rear of any vehicle. Thanks to the Easychange system with modular adapters, the wipers can be mounted in just a few simple steps and used on numerous different vehicles.

HELLA offers: Value for money, less PN's – full coverage, recyclable carton packaging
