

PRODUCT INFORMATION

LED RETROFIT BULBS

- Halogen fit base
- Cool white LED light providing a stylish look and superior brightness
- Slim & Compact design
- Mounting made easy

PRODUCT FEATURES

Brighter Illumination – minimal effort! With its halogen-fit base, the Hella EASY INSTALL LED Retrofit bulbs provide a slim and compact designed LED replacement of conventional halogen bulbs with cool white LED light – providing a stylish look as well as excellent illumination. It offers an easy installation, with the same socket design as the matching halogen bulbs, just plug & drive.

With our LED retrofits, vehicle lighting can be converted to the latest LED technology. The new LED retrofits offer exceptional brightness and, thanks to optimized light distribution, there is more light on the road where it is needed. A longer lifetime compared to halogen bulbs makes the LED retrofits attractive for all drivers. The stylish look with a cool white beam brings customers a daylight effect at night and more comfort and pleasure when driving. Our new portfolio offers a comprehensive range of applications, including high beam, low beam, fog lamps and a broad coverage of different vehicles.
