Review report to the Board of Directors of Hella India Lighting Limited

1. We have reviewed the accompanying statement of unaudited financial results ('the Statement') of Hella India Lighting Limited ('the Company') for the quarter ended 30 June 2012 except for the disclosures regarding 'Public Shareholding' and "Promoter and Promoters Group Shareholding", which have been traced from disclosures made by the management and have not been reviewed by us. Attention is drawn to the fact that the corresponding figures for the quarter ended 31 March 2012 as reported in these financial results are the balancing figures between audited figures in respect of the full financial year ended 31 March 2012 and the published year to date figures upto the end of the third quarter of the financial year ended 31 March 2012. Also, the figures upto the end of the third quarter of the year ended 31 March 2012 were only reviewed and not subjected to audit. This Statement is the responsibility of the Company's management and has been approved by the Board of Directors of the Company at their meeting held on 14 August 2012. Our responsibility is to issue a report on the Statement based on our review.
2. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
3. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement prepared in accordance with the applicable Accounting Standards notified pursuant to the Companies (Accounting Standards Rules, 2006) and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of Clause 41 of the Listing Agreement, including the manner in which it is to be disclosed, or that it contains any material misstatement.
