SOUND INVESTMENT IN SAFETY

HELLA Taxi Trumpet Horn - Set

An ideal combination of style and substance, HELLA Taxi Trumpet Horns are acoustically engineered to project a wide and harmonious sound in answer to the needs of the market.

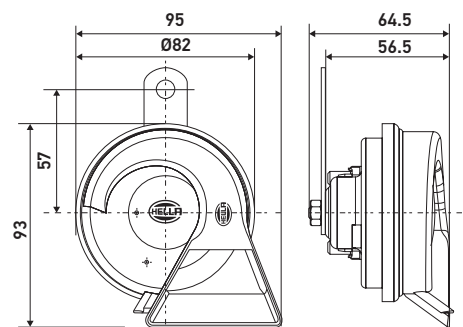

HELLA horns reflect German precision technology and offers a complete package of reliability, performance, quality... ideal for a tough driving environment.

Product features

- Vertical mounting: With reduced thickness or profile, this horn was designed to install easily behind the grill of the vehicle in the vertical position. Its patented trumpet design reflects the sound at 90 degrees, reflecting the sound directly forward when mounted in the above mentioned position.
- Full harmonious tone.
- Water drainage for enhanced protection against water spray.
- Compact design.
- Corrosion resistant.
- Incorporating both high frequency (500 Hz) and low frequency (400 Hz) in a single application.
- Suitable for city and highway driving.
- Manufactured in India to strict HELLA quality standards.
- ECE approval. **(E) 000233**
- Includes 12V relay.

Product information

Technical drawing

HELLA Taxi Trumpet Horn - SET

Our horns meet the stringent demands for commercial vehicles.

Includes:

(2) Trumpet Horns, (1) 12V relay and assembly instructions.

Technical information

Nominal voltage:	12 V
Power consumption:	2 x 72W (max)
Frequency:	Low Tone = 400Hz / High Tone = 500Hz
Acoustic pressure level:	105-111dB (A) (at 2m from source)
Weight (without bracket):	2 x 230 g
Diameter:	82 mm
Life Durability:	50,000 cycles
Relay included:	4 PIN, Normally open (12V)
Part Number	3FH 007728-871
Short Code:	B7728
EAN number:	4082300337907
