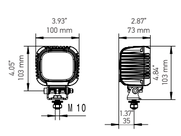
WORK LIGHTS
Overview

Reliable quality at a normal market price? – The HELLA VALUEFIT series includes a wide variety of work lights to suit your requirements. At the same time, you can profit from HELLA's quality as an OE manufacturer - the unique combination of existing OE know-how and high-level sales expertise is the guarantee for good quality at fair prices. All HELLA VALUEFIT products meet the relevant technical specifications of the independent aftermarket, they are safe and reliable, and they also make a cost-effective changeover from Halogen to LED technology possible.

The HELLA VALUEFIT worklight range offers LED lights starting at 700lm up to 3,000lm powerful light output, which gives you the ideal worklight for every application.

3000 lm

NEW

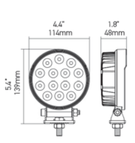


S3000

- 9 high performance LEDs
- Voltage: 10-52VDC
- Power Consumption: 31W
- Luminous Flux (measured): 3000 lm
- Connection: Integrated DT Connector + 800 mm adapter cable with open wires
- Certificate: CE, ECE-R10, RoHS, IP67

357109002	Close range
357109022	Close range - Amber

2000 lm



5RD LED 2.0

- 14 high performance LEDs
- Voltage: 9-33VDC
- Current Draw: 1.25A @ 12V, 0.625A @ 24V
- Power Consumption: 25W
- Luminous Flux (measured): 2000 lm
- Certificate: CE, RoHS, IP67

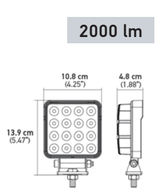
357105002	Close range
357105012	Long range
358115371	Long range, amber

2000 lm

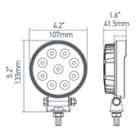
4SQ LED 2.0

- 16 high performance LEDs
- Voltage: 9-33VDC
- Current Draw: 2.08A @ 12V, 1.04A @ 24V
- Power Consumption: 25W
- Luminous Flux (measured): 2000 lm
- Certificate: CE, RoHS, IP67

357106002	Close range
357106012	Long range



1000 lm

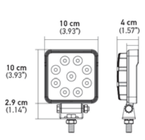


5RD LED 1.0

- 9 high performance LEDs
- Voltage: 9-33VDC
- Current Draw: 1.25A @ 12V, 0.625A @ 24V
- Power Consumption: 13W
- Luminous Flux (measured): 1000 lm
- Certificate: CE, RoHS, IP67

357101002	Close range
357100002	Long range

1000 lm

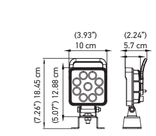


4 SQ LED 1.0

- 9 high performance LEDs
- Voltage: 9-33VDC
- Current Draw: 1.25A @ 12V, 0.625A @ 24V
- Power Consumption: 13W
- Luminous Flux (measured): 1000 lm
- Certificate: CE, RoHS, IP67

357103002	Close range
357102002	Long range

1000 lm

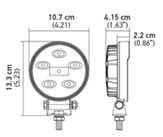


4 SQ LED 1.0 - Handle and Switch

- 9 high performance LEDs
- Voltage: 9-33VDC
- Current Draw: 1.25A @ 12V, 0.625A @ 24V
- Power Consumption: 13W
- Luminous Flux (measured): 1000 lm
- Certificate: CE, RoHS, IP67

357103041	Handle and Switch - Close Range
357103051	Handle and Switch - Long Range

700 lm

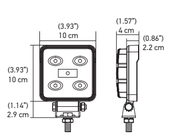


5RD LED

- 6 high performance LEDs
- Voltage: 9-33VDC
- Current Draw: 0.75A @ 12V, 0.375A @ 24V
- Power Consumption: 9W
- Luminous Flux (measured): 700 lm
- Certificate: CE, RoHS, IP67

357108001	Close range

700 lm



4SQ LED

- 5 high performance LEDs
- Voltage: 9-33VDC
- Current Draw: 0.75A @ 12V, 0.375A @ 24V
- Power Consumption: 9W
- Luminous Flux (measured): 700 lm
- Certificate: CE, RoHS, IP67

357107001	Close range

NEW

3250 lm

RC360 Gen 2

- Remote controlled LED work light
- 16 high performance LEDs
- Voltage: 10-30VDC
- Power Consumption: 80W
- Luminous Flux (measured): 3250 lm
- Certificate: CE EMC approved, compliance 47 CFR FCC Part 15 Subpart B ANSI C63.4: 2014, IC CAN ICES-5 (B)/ NMB-5(b),

357104041	Black housing
357104051	White housing

2 LED BLU

- Ideal for use on forklifts
- Provides visual warning for pedestrians
- Bright blue spot beam pattern projects onto the ground
- 2 high performance LEDs
- Voltage: 10-30VDC
- Power Consumption: 6W

530040329	2 LED BLU Lamp
