Hella Pagid Brake Systems is one of the leading providers of brakes in the independent aftermarket, offering an extensive range of products. Our parent company TMD Friction's experience in the development of original equipment brake pads dates right back to 1878, guaranteeing you the highest standards of quality, safety and comfort. This applies not only to PAGID's OE brake pads and linings but also to those from HELLA PAGID in the independent aftermarket.

Over decades, numerous vehicle manufacturers have come to rely on PAGID's original equipment competence and consciously choose its first-class brake components. The unique OEM expertise of the PAGID brand is incorporated into each and every brake pad and brake lining from HELLA PAGID and illustrates the supplier's particular strength in the independent aftermarket.

RELIANCE. TRUST. PERFORMANCE.
