

Opel Corsa D - Chirping noise coming from the engine compartment | HELLA

Opel

Corsa D

Model year: from 2010 onwards

Engine: A13DTC, Z13DTJ, - A13DTC, Z13DTJ

Chirping noise coming from the engine compartment.

If complaints are made about these vehicles that chirping noises coming out of the engine compartment can be clearly heard in the vehicle's interior, a possible cause of the trouble could be the fuel pump.
