

OPEL Meriva - Régulation de température | HELLA

OPEL

Meriva

Année modèle : à partir de 2004 avec climatisation automatique

Régulation de température dans l'habitacle

Sur les véhicules ci-dessus, il est possible que la régulation de la température dans l'habitacle ne soit plus possible.

Seul de l'air froid ou très chaud est conduit par les buses d'aération.

Important safety notice

The following technical information and tips for practical use have been set up by HELLA in order to offer professional support to automotive workshops in their daily work. The information available here on this website is only to be used by appropriately trained specialist staff.
