

Product information - Toyota brake linings

Product information

Toyota brake linings

8DB 355 014-881 replaces 8DB 355 013-741

New allocation of the brake pads

Due to changes in the serial equipment carried out by the vehicle manufacturer Toyota, the following article allocation has been adapted as described in the following.

Brake pad 8DB 355 013-741 / T1747 will be replaced by brake pad 8DB 355 014-881 / T1905.

Note

Existing warehouse goods 8DB 355 013-741 / T1747 can still be sold.

Mounting instructions

The visible difference between both brake linings is the changed shape of the friction pad (A).

Important safety note

Technical information and practical tips have been compiled by HELLA in order to provide professional support to vehicle workshops in their day-to-day work. The information provided on this website is intended for use by suitably qualified personnel only.
